

DON'T FENCE ME IN (A)

Cole Porter

[E7] Oh, give me

[A] Land, lots of land under starry skies above

Don't fence me [E7] in

Let me ride through the wide open country that I love

Don't fence me [A] in

[A] Let me be by myself in the [A7] evening breeze

[D] Listen to the murmur of the [Dm] cottonwood trees

[A] Send me off forever but I [D] ask you please

[A] Don't [E7] fence me in [A] Just turn me

[D] Loose, let me straddle my old saddle

Underneath the western [A] skies

On my [D] cayuse, let me wander over yonder

Till I see the mountains [A] rise [E7] I want to

[A] Ride to the ridge where the [A7] west commences

[D] Gaze at the moon till I [Dm] lose my senses

[A] Can't look at hobbles and [D] I can't stand fences

[A] Don't [E7] fence me [A] in (3X last line)
