[F] When shadows [E7] fall

And [Gm] trees whisper, "Day is [C7] ending",

[Gm] My thoughts are ever [C7] wending [F] home. [Gm][C7]

[F] When crickets [E7] call,

My [Gm] heart is forever [C7] yearning

[Gm] Once more to be re [C7] turning [F] home. [Bb] [F]

[Bbm] When the hills conceal the setting [F] sun,

[Bbm] Stars begin a-peeping, one by [C7] one.

[F] Night covers [E7] all,

And [Gm] though fortune may for [C7] sake me,

[Gm] Sweet dreams will ever [C7] take me [F] home.
